

STIRRUP LEATHERS, IRONS & BRIDLEWORK

Massimo Special Order Colour Options

Stirrup Irons

Super Quality Bridlework

Our Super Quality Range of Bridlework, is all made in England by skilled craftsmen, using the Best Quality English Leather, from J. E. Sedgwick & Co. and is hand stitched and finished. Unless stated, bridlework has Stainless Steel Hook Stud Billets. Bridles are supplied without reins and bits, unless stated otherwise.

We stock a large range of bridle parts, so it is possible to put together many sizes and types of bridle from stock parts. As a UK manufacturer we are able to make special non-stock items.

Stirrup Leathers

Super Quality Stirrup Leather are made in England, all have web reinforcement around the buckles. Adult leathers have stainless steel buckles with 3 rows of stitching.

|----------|--------|--------|
| PS101010 | Adult | £11.20 |
| PS101015 | Childs | £ 9.96 |

Shock Absorbing Leathers

These Stirrup Leathers are made from a very soft specially tanned leather, with a nylon core. Nylon has an elastic property to it, so it will stretch slightly and recover quickly, this means that the leathers will absorb shocks, doing away for the need for expensive shock absorbing stirrup irons and it also protects the saddle bars. Because of the make up of these leathers the bulk around the buckle is also reduced adding to rider comfort.
